Dear Supporters and Friends:

Once again, It is time to thank all the businesses and individuals who helped make our annual golf outing a huge success.

Because of your generosity, Greensburg Engine Company # 6 has been able to serve the people of Greensburg and the surrounding communities. This Company responded to almost 1500 calls last year. This all volunteer department serves the community 24 hours a day, seven days a week, 365 days a year. This company consists of 40 fireman all of whom donate their time and expertise.

Unfortunately, equipment and materials for providing unparalleled service, is very expensive. Funding becomes increasingly harder to get and supplies are becoming more expensive. It has become more difficult to outfit personnel with the proper equipment necessary to operate safely and efficiently. Your financial support helps offset the cost of operating this company on a day to day basis. A successful 2007 would not have been possible without your caring and financial support.

Through your generosity and support of the annual "Ludwick" open, we were able to raise a large portion of the money necessary to supplement our annual operating budget. This money will go toward purchasing equipment for the members of this company. Plans are already underway for the 2008 golf outing. The annual "Ludwick" open will take place at the new Cherry creek golf club in Youngwood, PA on June 21, 2008. We hope you will consider supporting Engine Company # 6, once again, in 2008.

From the entire "Team Ludwick", we would like to take this opportunity to say THANK YOU.

Here are several options for supporting this years golf outing. We appreciate any help you can give.

SPONSORSHIPS: (PLEASE CHECK)

- _____ \$15.00 Your name as an event sponsor in the program
- _____ \$30.00 Tee sponsor and your name in the program
