

# FIRE FEST '08

*September 5 & 6*

Red Starr Brewery in conjunction with the Greensburg Fire Museum will be holding two fund raisers September 5 and 6, 2008. Profits from both events will benefit the Fire Museum Operating Fund. In the last six months the museum has incurred costs to maintain and renovate a portion of the Fire Museum. At present we are renovating the end bay to accept and display the recently restored 1949 Seagrave. Plus the compressors on the air conditioning system have failed requiring replacement. Both projects incur the outlay of funds and the fund raisers will help reduce the expense and add some extra money for other needed activities.

The events are as follows:

- **Fireman's Ball at Station #2, Friday, September 5, 2008**
  - Tickets \$35.00 per person
  - (Uniformed Firefighters \$10.00 discount)
  - Includes:
